

The background of the slide features a stylized landscape. The top half is composed of several overlapping, semi-transparent green triangles of varying shades, creating a mountain range effect. The bottom half is a solid, bright yellow field. A horizontal line with a rough, torn-paper texture separates the green mountains from the yellow field.

# Creating a Paperless Classroom

Lakeview Academy Summer Technology Institute, 2010

# My Journey

- How can I decrease the paper load?
- How can I create opportunities for more collaboration?
- How can I maximize time (both in and out of class) for myself AND students?
- How can I help the environment?

# Moodle

The screenshot shows the Moodle interface for Lakeview Academy. At the top is a blue header with the school's crest and name. Below this is a navigation bar with a 'Main Menu' on the left and a 'Course categories' table in the center. The 'Main Menu' includes a 'Site news' link. The 'Course categories' table lists various subjects with their respective course counts. To the right of the table is a 'Calendar' for July 2010 and a 'Lakeview Website' section with the URL 'lakeviewacademy.com'. Below the calendar is another 'Course categories' list. At the bottom of the page, there is a search bar and a section for 'Available Courses'.
